Charley Keyser, representing C. P. Tracy & Co., Portsmouth, Ohio, was a guest of the Day House Tuesday night.

The offerings for Mission by the Christian church Sunday amounted to \$37. This amount is more than was asked for.

Born, to the wife of Robert Motley, of the Murphy fork, Thursday night, the 10th inst., a fine boy. Tally one for the Democrats.

Willie Pieratt, whose illness we mentioned last week is, we are glad to say, doing nicely and bids fair to soon be himself again.

Our colored friend, Henry Williams, was in town Tuesday, and availed of the opportunity to subscribe for THE HERALD for a year.

Frank Stamper, of Campton, was a pleasant caller at this office Tuesday, and renewed his subscription to "the dear old HERALD."

Joe Taulbee, of White Oak, was here Tuesday circulating among his friends, and will matriculate at the academy, if he has not already done so.

James H. Swango, of Memphis, Tenn., is visiting his father and mother, and other relatives and friends here, and may remain with us two or three weeks.

Deda Patrick, of Magoffin county, passed through here Thursday with Nimit Gipson in charge, whom he was conveying to the asylum at Lexington.

A. P. Lacy, of Lee City, is clerking at the Racket store during the illness of Willie Pieratt, and "Uncle An" says he feels very much at home. Everybody here was glad to see him.

For Rent—To a good tenant—the J. G. Trimble residence and lots adjoining, in Hazel Green. A splendidly located property at reasonable rental. For particulars call on W. O. Mize, agent.

Mrs. Jonathan Elkins, of Lane, this county, has been afflicted with rheumatism for several years past, and is now suffering even more than she did last winter. She is confined to her room all the time.

Elders William Pence and Gardner Fletcher, Mormon ministers, visited THE HERALD office Wednesday afternoon of last week, en route to Rowan and Carter counties, where they will hold protracted meetings.

Bro. Word tells us that Mrs. Isaac Elkins, of Lane, on Holly creek, in this county, was taken suddenly sick Monday morning last with pains in the stomach and bowels, and that when he and his wife left there she was quite sick.

"Our boy," Warren, is still a very sick boy, but we are encouraged to hope that he will soon pull through all right. Indeed we think he is better than for the last few days. In the meantime he is receiving every attention and the best nursing possible. Dr. Taulbee is attending him.

Have you a friend now living in the west, south, east, or north—anywhere, in fact, who formerly lived in this section? If so, please bring or send us the name and postoffice address and we will send them A FREE SAMPLE COPY OF THE HERALD, that will be to them like a letter from home. Send us names of ALL whose postoffice address you know. They will appreciate it and so will we. We can send 100 or 1,000; aye, 10,000, and will be glad to do so. Send us some names this week.

I desire to attest to the merits of Chamberlain's Cough Remedy as one of the most valuable and efficient preparations on the market. It broke an exceedingly dangerous cough for me in 24 hours, and in gratitude therefor, I desire to inform you that I will never be without it, and you should feel proud of the high esteem in which your Remedies are held by people in general. It is the one remedy among ten thousand. Success to it.—O. R. Downey, Editor Democrat, Albion, Ind. For sale by J. T. Day, Hazel Green.

Wes Taulbee, who is in the United States army, located at Fort Thomas, Newport, Ky., is visiting his father and mother, Major Wm. H. Taulbee and wife, of Morgan county, and other relatives and friends. Wes is on a 60 days' furlough, and this is the first time he has been home in over three years. He has been in the infantry up to the present time, but will soon make application for transfer to the cavalry, and in the same command with his brother, Miles, who is located in Texas.

It is, or should be, the highest aim of every merchant to please his customers; and that the wide awake drug firm of Meyers & Eschleman, Sterling, Ill., is doing so, is proven by the following, from Mr. Eschleman: "In my sixteen years experience in the drug business I have never seen or sold or tried a medicine that gave as good satisfaction as Chamberlain's Colic, Cholera and Diarrhoea Remedy. Sold by J. T. Day, Hazel Green.

John Murphy, of the Murphy fork, within two weeks has built 150 panels of stake and sided rail fence and erected a paling fence around his garden. His many friends will be glad to hear that he has gone to work. But maybe their joy will turn to sorrow when they hear that he actually lost 12 pounds of flesh in the effort.

There will be a protracted service at the Presbyterian church, beginning Sunday, March 27th, and continuing during the following week. The pastor will be assisted by Rev. Chas. Farnsworth, of Hazard, Ky. We will ask the prayers and help of all our Christian brethren.

Do not fail to read the advertisement of H. F. Hillenmeyer, the nurseryman, of Lexington, and when you want trees, plants, or vines write him. He is one of the most reliable nurserymen in Kentucky. Indeed, when you order from him you are assured that you will get exactly what you order.

Frank Murphy has bought of W. O. Mize a lot, —x—, in rear of the residence of L. N. Ware, and will build upon it a dwelling at the earliest moment. Frank is evidently getting ready to embark upon the sea of matrimony, and "they say" he has engaged for the voyage a mate from Stillwater.

Rose & Davis have just completed for their own use a 2-wheeled pleasure vehicle with canopy top that is likely to prove quite popular in this section. They style it the "Rose Ann Davis" cart, and will be pleased to build one for anyone in need of a vehicle just suited to our mountain roads.

Born, to the wife of Harlan O'Hair, of Laurel, Friday evening last, a fine large boy. Dr. Nickell reports his advent and glories in the thought that if he reaches maturity he'll be a follower of Mark Hanna, Bill McKinley and Tom Reed, with one of which names he will "shore" be handicapped.

George Rice, of this place, on Monday last acted the Good Samaritan in a double role. He made a coffin for the little Tibbs child and then superintended the burial. George is always ready to extend a helping hand in the hour of need, and many is the charity to his credit on this score.

Prevention is better than cure. Keep your blood pure, your appetite good and your digestion perfect by taking Hood's Sarsaparilla.

Hood's Pills act harmoniously with Hood's Sarsaparilla, gentle, efficient.

Rev. Jas. R. Word will preach at Rose chapel, on Lacy creek, Sunday morning at 10:30 o'clock, and at the M. E. church here at night.

Hoarseness leads to serious irritation of the throat and may end in a racking, rasping cough. From this condition it is but a step to serious lung trouble. Dr. Bell's Pine Tar Honey will quickly clear the throat and leave the voice clear and smooth. It is an infallible remedy for all disorders of the throat and lungs. Get a bottle today.

Born, to the wife of Robert J. McLin, of Hazel Green, Saturday afternoon, a fine girl. Dr. Nickell was the presiding dignitary and introduced the young lady to a select few of her mamma's lady friends with much eclat. Bob is doing as well as could be expected.

Miss Ava Swango, of this place, and Miss Kathleen McGuire, of West Liberty, who is attending school here, were pleasant visitors at THE HERALD office on last Wednesday afternoon.

On Friday night at the Academy chapel the question—"Character is due more to education than nature"—will be debated by members of the U. D. and H. B. societies.

Farler and Neace, charged with complicity in the murder of Deputy Marshal W. A. Eyrl, were acquitted in the U. S. court at Louisville.

Rev. J. H. Wallin will preach at the Presbyterian church on Froze Sunday at 11 o'clock.

Dr. Miles' Heart Cure

Cures a Prominent Attorney.

M. R. C. PHELPS, the leading pension attorney of Belfast, N. Y., writes: "I was discharged from the army on account of ill health, and suffered from heart trouble ever since. I frequently had fainting and smothering spells. My form was bent as a man of 30. I constantly wore an overcoat, even in summer, for fear of taking cold. I could not attend to my business. My rest was broken by severe pains about the heart and left shoulder. Three years ago I commenced using Dr. Miles' Heart Cure, notwithstanding I had used so much patent medicine and taken drugs from doctors for years without being helped. Dr. Miles' Heart Cure restored me to health. It is truly a wonderful medicine and it affords me much pleasure to recommend this remedy to everyone."

Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on diseases of the heart and nerves free. Address, DR. MILES MEDICAL CO., Elkhart, Ind.

Lee, Our Hero.

Consul General Lee says: "If we leave Havana it will be with the American flag flying and a brass band playing at the head of the procession." That is old 1776. That is American pluck. That is American common sense and chivalry. Lee has the old blood in his royal veins. He is one of the tallest, bravest, gentlest of the sons of men. He is the incarnation of the American idea, and at his feet two continents lay the tribute of their admiration today.

In the home of an enemy, surrounded by a people whose treachery is their distinguishing feature; in the presence of a crisis, the courage of the peerless Lee stands a living threat to Spanish trickery. If the crisis comes Lee will be in it. His feet will walk in the ways of war, but his calm, cool, head and chivalrous heart will command, unconfused above the din of battle and the frenzied voice of carnage. He is teaching American youth the prettiest lesson of the age. —Lexington Argonaut.

Nelson's Hawaiian Hair Elixer.

This is to certify that we handled Nelson's Hawaiian Hair Elixer for ten months, and can truthfully say that the sale of it is phenomenal. We have sold ten times as much of it as of all other hair preparations combined, our sales amounting to over 600 bottles, seven other drug stores in the city handling it at the same time. We consider it by far the best hair preparation on the market.

SPRING HAS COME.

Spring has come; the ice and snow
Of winter's gone with all its glow,
For when spring came it had to go.

Thank the Lord for spring.

Farmers now can rise at morn
To plough the land and plant the corn,
And then you'll hear 'em blow their horn.
Thank the Lord for spring.

The tuneful birds sing out their lay,
The buds peep out each coming day,
And soon I'll have a nice bouquet.
Thank the Lord for spring.

Everything looks clean and new,
I am glad and so are you.
Beside, I have more work to do,
Thank the Lord for spring.

HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling indicates a diseased condition of the kidneys. When urine stains linen it is positive evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed that Dr. Kilmer's Swamp Root, the great kidney remedy, fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and extraordinary effect of Swamp Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists, price fifty cents and one dollar. You may have a sample bottle and pamphlet, both sent free by mail, upon the receipt of three 2 cent stamps to cover cost of postage on the bottle. Mention THE HAZEL GREEN HERALD and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietor of this paper guarantees the genuineness of this offer.

A ewe belonging to Grant Spradling, of the Murphy fork, gave birth to three lambs Thursday night last, and in the same neighborhood at the same hour Widow Dalton's cow found a calf. The birth of a Democratic boy in the same neighborhood at the same hour seems to presage prosperity, and everything is lovely, with the goose suspended at an altitude above adversity.
